Isle of Wight self catering holiday cottage accommodation ideally sleeps two (1 bedroom), situated in the beautiful quiet west wight rural countryside of Brighstone village at bottom of downs, (South West IoW), furnished to a high standard with Free WiFi (own router - 50+mb), cleaned by us as our only holiday let property, detached with own shaded drive and garden and secure bike rack and cover. All the advantages of being within easy walking distance of the village centre and public house, with restaurant, also another separate restaurant with bar in village centre, a newspaper shop that sells food etc, a village food store with locally baked bread, freezer, local produce, off licence and Post Office with debit card cashing facility, surgery with pharmacy and hair dressers, also [No 12 bus service](#) from bottom of our road, and [Community Bus](#) route D in our road, flag down mini bus. A great place to holiday within walking distance of Brighstone beach or 1.3 miles by car. The surrounding close villages (3) also have pubs with restaurants as alternative choices to eat out.

The holiday cottage is situated at the bottom of downs in a quiet area with great walks all around, over downs or through the forest, also close by are Compton and Brook beaches. Voted best village for the ninth time and the island is one of the sunniest place in UK. Half of the island is classified as an Area of Outstanding Natural Beauty which includes the whole area around Brighstone, also the coast is classified as Heritage Coast. The island has the highest density of footpaths in the UK, many local footpaths have fine views, at the top of the downs above us by the bronze age barrows you can see across the Solent (North), English Channel (South) and towards the Needles and to Blackgang and the round island cycle route is at the bottom of our road. Much of the downs, forest and beaches are owned by the National Trust.
